## THE PRSC

The Potomac River Smallmouth Club (**PRSC**) is the Washington D.C. Capital Area's leading river fishing and conservation organization. The group promotes **CATCH AND RELEASE** angling for smallmouth bass, publishes a monthly newsletter, presents monthly programs with guest speakers, and organizes frequent river trips for its members.

Concentrating its efforts on the improvement of smallmouth bass fishing in the region's rivers, PRSC supports the preservation of fish habitat and the wise management of all river gamefish species. The club also emphasizes knowledge of safe boating and wading skills as central to an enjoyable river experience.

## MEETINGS

The Potomac River Smallmouth Club holds membership meetings open to the public every month except December at the Vienna Fire Station.

Meetings take place on the last Wednesday of the month beginning at 7:30 p.m. and feature presentations by noted anglers, guides, conservationists, and members on a broad range of topics related to the Club's purpose.

## RIVER TRIPS

Club members organize fishing trips and are open to PRSC membership for free or for negligible cost. Trips occur on regional smallmouth rivers to include the Potomac, James, Rappahannock, Shenandoah, New and Susquehanna rivers. For liability purposes, all trip participants must be current PRSC members with a signed waiver on file.

## MEMBERSHIP DUES

Effective Nov. 1, 2007, PRSC membership Dues are \$40 per year and are used to offset such expenses as the monthly newsletter, the website, Club events, charitable contributions and awards.

## OTHER ACTIVITIES

PRSC participates in various community sporting activities including the use of canoes and other river watercraft, river cleanup, fishing awards, recreational and educational events for young people, equipment demonstrations and new product evaluation. The group also works closely with state and federal agencies, and other membership organizations and various businesses on matters of common interest.

## RELEASE YOUR CATCH....IT'LL GROW ON YOU!

- Play, unhook and release fish quickly
- Needle-nose pliers speeds up hook removal
- Keep fish in water as much as possible
- Don't rub off protective slime
- Handle fish firmly but gently
